REF: Contract WG-8737

Gentlemen:

We are returning invoice number 39513 for revision as follows:

(1) Direct labor must be billed at actual cost. After checking the rates used in this invoice against your cost proposal, we find that to the cost has been added expense plus a 10% profit factor.

(2) Material should be billed at the actual amount paid.

(3) Overhead and G & A expense may be charged using provisional billing rates which have had the prior approval of the Contracting Officer in accordance with Part IV, Payments, of the contract schedule. (On this matter, you should contact).

(4) Fixed Fee is, of course, the profit allowance and may be billed in accordance with Part V of the Schedule.

Very truly yours,

19/

Doug
